Shape C (WRC)

- Maximum concentricity
- Perfectly coordinated cutting geometry ensures top-quality working results
- Maximum lifetime

Carbide burr, shape C (WRC): ball-nosed cylinder.

|                                 |                                                                                                                                                                                                                 |
