

# PRODUKTDATENBLATT

## HF C ALPHA

ALPHALINE ●○○

Shape C (WRC)

- High concentricity
- Optimal cutting geometry ensures best work results
- Long lifetime

Carbide burr, shape C (WRC): ball-nosed cylinder.

|                                 |                                                                                                                                                                                                                 |
