

PRODUKTINFORMATION

LD70

- Lifetime
- Cutting ability

straight 

- 13 mm segment height
- Wear protection segments work to prevent under-cutting of the steel core
- Forged segments
- Wet and dry cutting
- Laser-welded

The LD70 is equipped with 13 mm high diamond segments. The wear protection segments used here on the LD70 reduce under-cutting of the steel core and a particularly high standard of safety is achieved. The forged segments reduce the vibrations to a minimum. Suitable for wet and dry cutting.
